2 Degrees

Title of Docent: 01 October 2024, Optimization for Communication and Signal Processing towards Machine Learning over Wireless Networks, University of Oulu, Finland

Doctor of Science (Technology), 2011, Telecommunication Engineering, University of Oulu, Finland; Contact (Tel.): +358 294 480 000

Master of Engineering, 2007, Telecommunications, Asian Institute of Technology (AIT), Thailand; Contact (Tel.): +66 25 245 000.

Bachelor of Science of Engineering, 2004, Electronic and Telecommunication Engineering, University of Moratuwa, Sri Lanka; Contact (Tel.): +94 112 640 051

3 Other education and expertise

Adult Teaching Pedagogy Diploma for Senior Lecturers, The Open University of Sri Lanka, 2019

4 Language skills

Native Language: Sinhalese; Other Languages: English-Fluent

5 Current employment

October 2024 - To Date, **Project Researcher (Docent)**, Centre for Wireless Communication-Radio Technologies (CWC-RT), **University of Oulu Finland**;
Responsibilities: managing projects, seeking funding opportunities, supervising students, conducting own research;
Work mode: Full-time; Academic career stage: 3

6 Previous work experience

1) August 2022 - September 2024, **Senior Research Fellow**, CWC-RT, **University of Oulu, Finland**;
Main responsibilities: managing projects, supervising students, conducting own research;
Working mode: Full-time; Academic career stage: 3

1) March 2022 - May 2022, **Scholar-in-Residence**, **KTH Royal Institute of Technology, Sweden**;
Main responsibilities: teaching (graduate), supervising students (graduate); Working mode: Visiting;
Academic career stage: 3

2) June 2018 - July 2022, **Senior Lecturer Grade I**, **University of Moratuwa, Sri Lanka**;
Main responsibilities: teaching (undergraduate and graduate), supervising students (undergraduate and graduate), revising/developing curriculum, managing various administrative tasks within the University; Working mode: Full-time; Academic career stage: 3

3) January 2015 - May 2018, **Senior Lecturer Grade I**, Dept. of Electrical & Computer Engineering, **Sri Lanka Institute of Information Technology (SLIIT), Sri Lanka**;
Main responsibilities: teaching (undergraduate and graduate), supervising students (undergraduate and graduate), revising/developing curriculum, managing various administrative tasks within the Institute; Working mode: Full-time; Academic career stage: 3

4) January 2012 - December 2014, **ACCESS Postdoc Researcher**, Department of Automatic Control, **KTH Royal Institute of Technology, Sweden**;
Main responsibilities: conducting own research, teaching (graduate); Working mode: Full-time;

Academic career stage: 2

8 Research funding and grants

MARC-CFR, MediaTek; 2026; 140k euro; Co-Applicant; Principal applicant: Prof. Mehdi Bennis; Co-Applicant: Assoc. Prof. Sumudu Samarakoon, University of Oulu, Finland

Digital Futures-Scholar-in-Residence, Digital Futures, KTH, Stockholm University, RISE; 2022; 90 000 SEK; Principal applicant; Host: Prof. Carlo Fischione

Personal research grant, **Tauno Tönning Foundation, Finland**; 2009 & 2011; 4000 & 3000 euro; Principal applicant

Personal research grant, **Nokia Foundation, Finland**; 2009 & 2010; 5000 & 3000 euro; Principal applicant

Personal research grant, **University of Oulu Scholarship Foundation (Oulun yliopiston tukisäätiö), Finland**; 2010; 4000 euro; Principal applicant

Personal research grant, **Tekniikan edistämissäätiö, Finland**; 2008; 5000 euro; Principal applicant

9 Research output

Peer-reviewed scientific articles: 19; **Scientific books:** 1; **professional conference proceedings:** 28; Master's thesis: 1; Doctoral dissertation (monograph): 1

10 Research supervision and leadership experience

Research supervision, PhD: 5 in total (3 ongoing in CWC; 1 ongoing in KTH; 1 in KTH, graduated in 2017)

Research supervision, MPhil: 1 in the Faculty of Graduate Studies, University of Sri Jayawardenepura, Sri Lanka, graduated in 2022

Research supervision, Masters: 8 in total (2 in CWC, graduated in 2025 & 2026; 3 in KTH, all graduated in 2013; 3 in SLIIT, Sri Lanka, 2 graduated in 2016 and 1 graduated in 2018)

Research supervision, Undergraduate: 1 in the Department of Electronic and Telecommunication Engineering, University of Moratuwa, Sri Lanka, graduated in 2022

Leadership experience:

Project manager: EU project DESIRE6G 2023-2025, G.A. 101096466; Responsibility: managing the project activities and dissemination from the University of Oulu side

11 Teaching merits

Pedagogical training: Induction Training course at the Staff Development Centre, the Open University of Sri Lanka in 2019; Key expertise: traditional didactic pedagogic model, outcomes-based education (OBE), scaffolding, constructive alignment, constructivism, curriculum mapping and design, program design, and assessments, among others

Other pedagogical expertise: 1) *Member of the Quality Assurance Committee*, University of Moratuwa, Sri Lanka, 2019-2022; **2)** *Member of the Accreditation Committee Committee*, the Faculty of Engineering, SLIIT, Sri Lanka, 2016; **3)** *Member of the Curriculum Development Committee*, the Faculty of Engineering, SLIIT, Sri Lanka, 2016

Teaching experience:
Senior Lecturer, *Department of Electronic and Telecommunication Engineering*, ***University of***

Moratuwa, Sri Lanka *(2018–2022)*; Developed and delivered five courses (two undergraduate and three postgraduate) in mathematical optimization, signal processing, communications, and related fields

Senior Lecturer, *Department of Electrical & Computer Engineering*, ***SLIIT, Sri Lanka*** *(2015–2018)*; Developed and delivered seven courses (undergraduate) in signal processing, communications, and related fields

Visiting Lecturer, *Electrical Engineering and Computer Science*, *Division of Network and Systems Engineering*, ***Digital Futures hub, KTH Royal Institute of Technology, Sweden*** *(2022 March-May)*; Developed and delivered a postgraduate course in optimization algorithms and machine learning applications

Visiting Lecturer, *Department of Electronic Engineering*, ***Yangon Technological University (YTU), Myanmar*** *(2018, 2019)*; Developed and delivered a postgraduate course in optimization theory under the project *Telecom for YTU*, **a cooperation initiative of the University of Oulu, Finland**

Visiting Lecturer, *Department of Electrical and Electronic Engineering*, ***University of Peradeniya, Sri Lanka*** *(2018–2022)*; Developed and delivered a postgraduate course in optimization of communication systems

12 Awards and honours

Best doctoral thesis, Department of Communication Engineering, **University of Oulu, Finland**, 2011

Second best paper award, **IEEE Asilomar Conference on Signals, Systems, and Computers**, 2010

Grad. School in Elect., Telecommun. and Aut. (GETA) grant, 4 years, **University of Oulu, Finland**, 2011

Kings scholarship from His **Majesty King Bhumibol Adulyadej of Thailand**, 2005

The AIT alumni association prize, The most outstanding academic performance, **AIT, Thailand**, 2007

The Sonera prize, The most outstanding academic performance, **AIT, Thailand**, 2007

Sri Lankan president's award for Publications for Highly Rated Scientific Research, 2016, 2019

13 Other key academic merits

ACCESS Post–Doctoral Fellow at **ACCESS Linnaeus Centre, KTH Sweden**, 2012

Guest researcher: Digital Futures 'Scholar-in-Residence' program, **KTH Royal Institute of Technology, Sweden**, March-May 2022.

Invited speaker: Department of Information Technology, **Uppsala University, Uppsala**, 2022 May

Visiting lecturer: Yangon Technological University (YTU), Myanmar, project *Telecom for YTU*, **a cooperation initiative of the University of Oulu, Finland**, 2018, 2019.

Member (Admission Committee): Wireless Communication Engineering Master's program at CWC, University of Oulu, Finland; 2024–to date

Member: SRA 1 (Wireless Connectivity Solutions): 6G FLAGSHIP, University of Oulu, Finland; 2024–to date

Follow-up group chair: for 3 doctoral researchers, University of Oulu Finland, 2023–to date

Follow-up group member: for 8 doctoral researchers, University of Oulu Finland, 2023–to date

Publication chair: IEEE MERCon 2020, Colombo, Sri lanka

International relations chair: IEEE MERCon 2022, Colombo, Sri lanka

Session chair: IEEE Region 10 Humanitarian Technology Conference, 2018

Technical program committee (TPC) member, IEEE VTC

Co-chair: National Conference on Technology and Management SLIIT Sri Lanka, 2016

Exemplary reviewer: IEEE Wireless Communications Letters, 2020 & 2021

Reviewer for peer-reviewd journals: IEEE Transactions of Communications, IEEE Wireless Communications Letter, IEEE Transactions of Signal Processing, and IEEE Transactions of Wireless Communications, IEEE Transactions of Networking

Senior consultant: Fac. of Engineering Technology, The Open University Sri Lanka, 2021-2022

Member, Quality Assurance Committee: Faculty of Engineering, University of Moratuwa Sri Lanka, 2019-2022

Academic coordinator: Dept. of Electronic and Telecommunication Eng., University of Moratuwa, Sri Lanka, 2021-2022

Member, Engineering Research Unit: University of Moratuwa Sri Lanka, 2018-2021

Visiting lecturer: University of Peradeniya, Sri Lanka, 2018-2021

Evaluator (research proposals): The Faculty of Applied Sciences, University of Sri Jayawardenapura, Sri Lanka, 2021

Member, Accreditation Committee: Faculty of Engineering, SLIIT, Sri Lanka, 2016

Member, Curriculum Development Committee: Faculty of Engineering, SLIIT, Sri Lanka, 2016

Chairperson, Orientation Committee: Faculty of Engineering, SLIIT, Sri Lanka, 2016

14 Scientific and societal impact

Research activities promotion: University of Oulu Finland in DESIRE6G EU Project; YouTube Link

Resource person: 3rd Research Lounge, Faculty of Graduate Studies, University of Moratuwa Sri Lanka, 2022

Guest speaker: Special Session on '5G Evolution and 6G', IEEE ICIIS, Peradeniya, Sri Lanka, 2021

Guest speaker: Mathematics Day of Mahinda Rajapaksha College, Sri Lanka, 2018

Member: the Future Minds Career Counseling Program, Future Minds Exhibition, Sri Lanka, 2017

15 Other merits

Certificate in Neural Networks and Deep Learning: DeepLearning.AI, Coursera, 2021

Certificate in Improving Deep Neural Networks: DeepLearning.AI, Coursera, 2021

Certificate in Structuring Machine Learning Projects: DeepLearning.AI, Coursera, 2021
